THE
200 Club
OF
WAKE COUNTY

We are an organization of concerned citizens dedicated to supporting first responders living or working in Wake County.

Our primary mission is to provide immediate financial help to the families of those that lose their lives in the line of duty.

Our members want you to know that the citizens of Wake County support you for the risks you take and the protection you provide, *every shift of every day.*

What We Do:

Provide immediate financial support to the spouse and children of first responders who lose their lives in the line of duty.

Support education and training for surviving spouses and children through our scholarship program.

Support first responders by offering scholarships for additional training at Wake Tech Public Safety Campus.

We provide financial assistance to NC LEAP which assists first responders with incident debriefing and a support network.
